Following a traumatic incident in London, Jennifer has returned to her childhood home in Guernsey, taking a job as a reporter at the local newspaper.

After the discovery of a drowned woman on a beach, she uncovers a pattern of similar deaths that have taken place over the past fifty years.

Together with DCI Michael Gilbert, an officer on the verge of retirement, they follow a dark trail of island myths and folklore to 'Fritz', the illegitimate son of a Nazi soldier. His work, painstakingly executed, has so far gone undetected.

And home is the last place she should be.
